

Never stop loving

focolare
movement

“God is love and those who abide in love abide in God, and God abides in them” (1Jn 4:16)

The first Christians loved one another and helped anyone in need.

They shared all their things with those who were poor.

Because of their love, God was in their hearts and in their midst.

Elisabeth lives in a country in Africa where there is a war going on. Some time ago she received some money as a gift. One night she saw her mom crying because she had no food to feed the family.

Elisabeth ran and got her coins and gave them to her mother.

They went together to buy some vegetables to make soup for the whole family.
