

# When you forgive, you always win

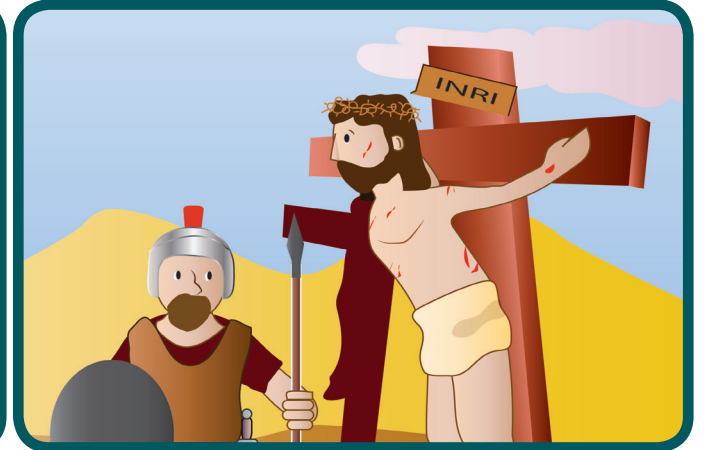

*"Be merciful, just as your Father is merciful." (Lk 6:36)*

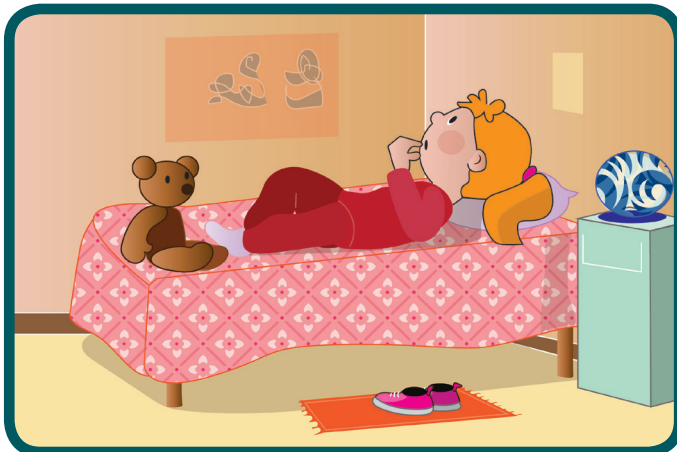

*When Jesus was speaking to his followers and the people around him, he asked them to love everyone.*

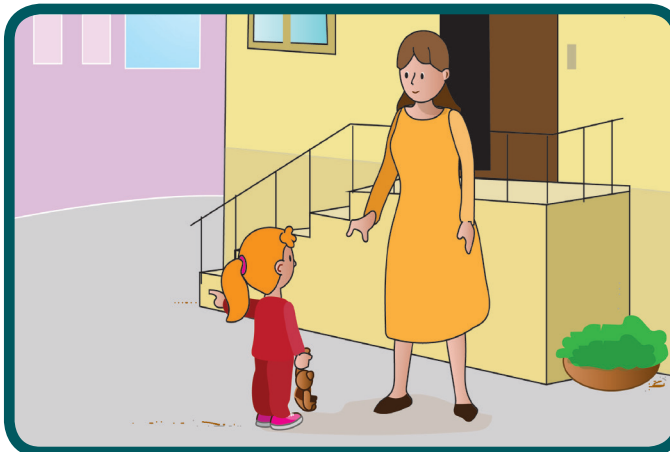

*In fact, we are all brothers and sisters, because we are children of one Father. When someone hurts us, we have to forgive them.*

*Jesus forgave his enemies, even when they crucified him.*

*One day I had a fight with my friend. I was laying on my bed and I thought, "Jesus isn't very happy right now."*

*I got out of bed and told my mom that I was going to see my friend, who lived on my street, so that I could tell her I was sorry.*

*When I got close to her house, I saw that she was coming toward me. She wanted to tell me she was sorry! I told her that was exactly what I wanted to do, too! (Cristina from Slovenia)*
