

The treasure hidden in our heart

“For where your treasure is, there your heart will also be” (Lk 12:34).

Jesus speaks to his friends about a treasure that no one can steal from us.

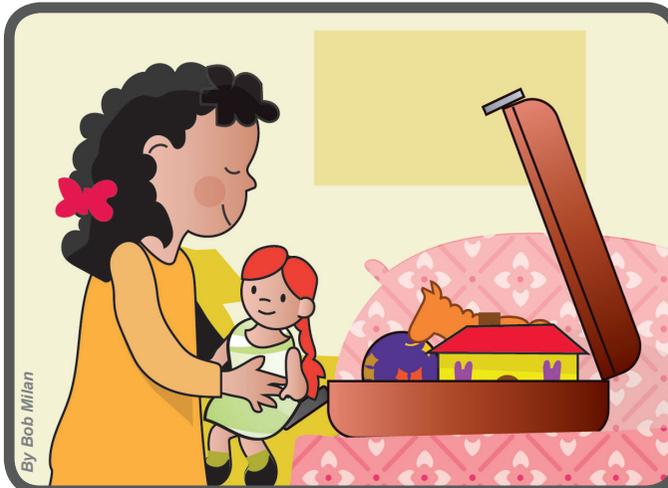

Everyone can possess this treasure because it is love and the more we give it away, the more it increases.

When we are generous and give away something that is ours, we will feel great joy in our heart and our treasure grows even bigger!

Mariana from Mexico chose one of her toys and brought it to the meeting. It was a little bear that was very old and even a little dirty. Katerina explained to her that they wanted to sell all the toys they collected so that they could help the poor people.

Mariana was surprised at this because she had not understood the reason for bringing a toy. As soon as she got home, she took out a suitcase and filled it with her toys, one more beautiful than the next. She gave them all and was very happy.

But Jesus took care of her because the very next day she received something she had wanted for a long time – a little puppy!!
