

# What's important? Only loving!

"There is need of only one thing." (Lk 10:42)

movement

Jesus had many friends and among them were Martha, Mary and Lazarus who lived in Bethany.

One day Jesus was visiting their home. Martha was cleaning the house and then she prepared a good meal for Jesus. Mary instead stopped working to listen to Jesus.

Martha was a little bit upset about this because she wanted Mary to help her but Jesus explained to her that it's also important to listen to the voice of God when he speaks to us.

An experience of a group of Gen 4 in Italy: We had a very nice afternoon playing together and then we went into the chapel of the school.

We spent some moments of silence with Jesus, so that we could listen to him in our hearts. Then we prayed for peace and for all the poor people.

Before leaving the chapel, Luca said. "I didn't hear Jesus, but I did understand that he loves us very much."
