

Ecumenical Prayer

Those of us local to the Focolare Centre for Unity have taken part in a simple weekly service of **Prayers for Unity** from the chapel in the Centre over the last 4 years. These prayers ceased when the lockdown hit. We really feel that the world is much in need of prayer and for unity so we would like to start again. In order to make the event open to whoever would like to join, from as far afield as possible, and to avoid breaking any Covid related regulations, we will begin by using Zoom for everyone – including those local to Focolare Centre for Unity.

The Zoom link is below, and it will be the same every week. Please feel free to share this invitation with anyone else who would like to participate.
