

If you are looking for a different kind of experience this summer, something which is not simply a holiday or retreat, then this just might be for you.

It is a place where people come to explore and live out the Gospel message of love.

Whatever your background, nationality or belief, the Mariapolis is an invitation to experience a small piece of society where mutual respect and love create connections and build a foundation for a united world.

"I realised that I have been created as a gift for the person next to me

and that person has been created by God as a gift for me."
Chiara Lubich

Signs of Hope will be held at Liverpool Hope University.

Among the activities to be enjoyed during these days by adults, children and young people, are talks, time for reflection, games, workshops, and outings.

“This week has taught me that I should try to love everyone, and I'll keep doing that when I get back home.”

“It's moving to see so many people, young and older, talking and playing together.”

“For me the Mariapolis is like being part of a big, happy family.”

TIME Registration starts at 3.00pm on Tuesday 28th July. The event will finish after lunch on Sunday 2nd August.
